WEST COAST CENTER FOR VICTORIOUS YOUTH

A Decade of Building Generations

Our finances are always a work in progress. And no matter who you are or how much money you have, life happens to us all. Money comes, money goes and our money is always in motion. We must learn to manage it when it comes into our hands. At this event our speakers will share valuable information and you will learn:

- How to improve your credit and why it matters
- About credit bureaus and early warnings
- How to get your credit score
- Golden rules for on line safety and your on-line presence
- Checking and Savings
- How to budget and much more....

Executive Director, Alisa Jackson
